Dale Ann Carrell

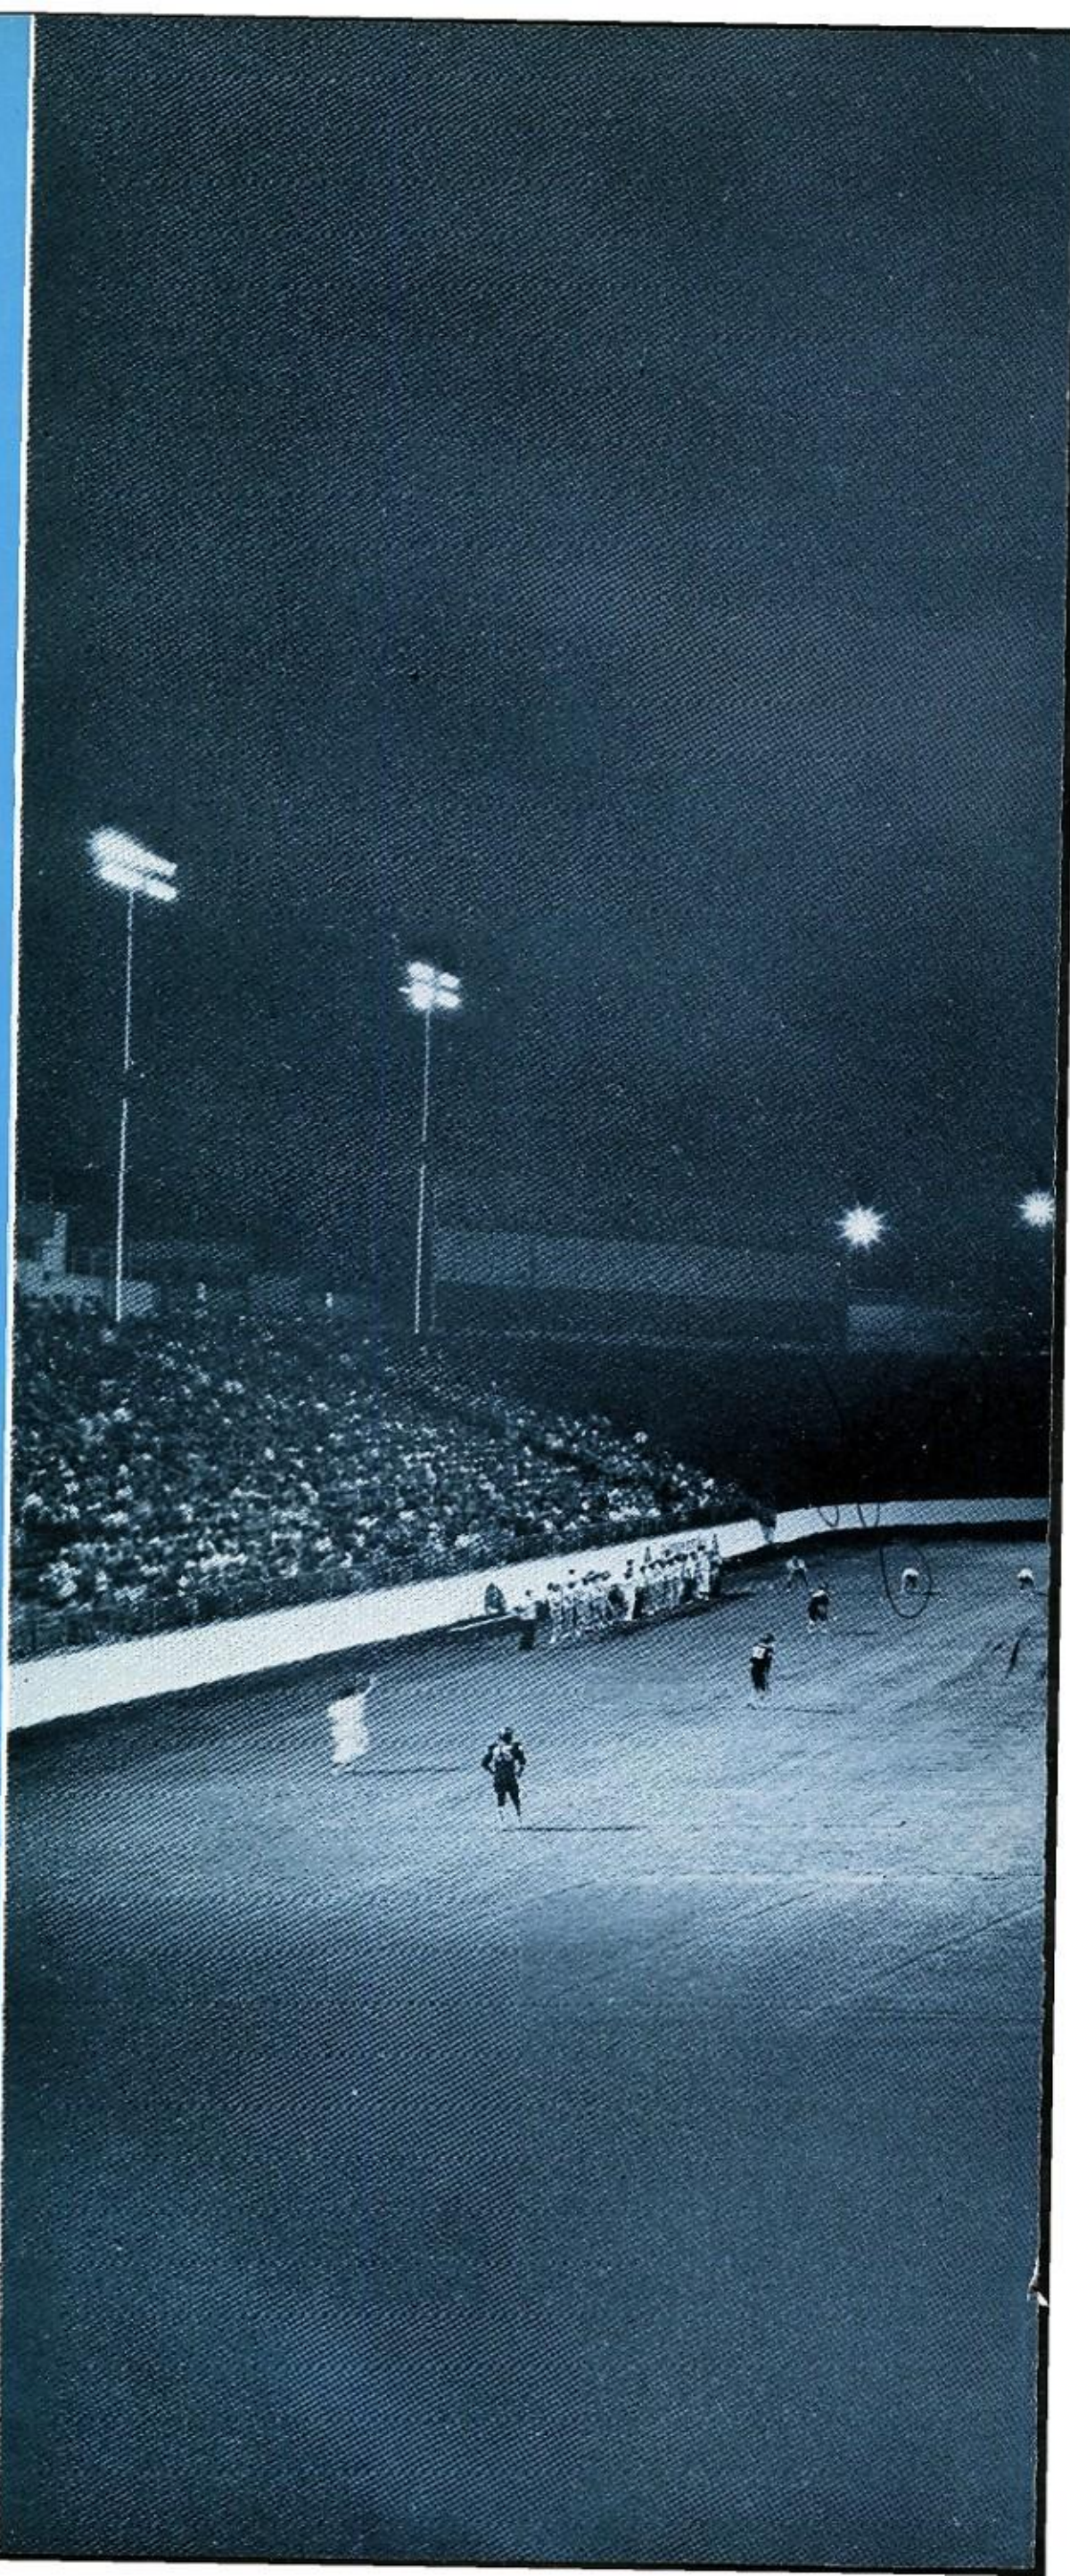

*Although your stay in GPHS is short,
You have absorbed knowledge and a better understanding
Of life and how to deal with its problems.
We the staff feel that this book is an actual account of
Your school days in GEEP HIGH.
To the best of our ability, we have compiled this
Annual in the hope that
In future years you may look back and recall
Your well-spent days in Grand Prairie High School.

GRAND PRAIRIE
HIGH SCHOOL

Today is not yesterday. We ourselves change.
How then can our works and thoughts, if they
are always to be the fittest, continue always the
same. Change, indeed is painful, yet ever need-
ful . . .

GOPHERS 20

Under the direction of our new head coach, Dusty Rhodes, the new Gophers started their successful season off with a striking victory over Carter Riverside. The new look of an aggressive ground game and well planned plays showed that this year's Gophers were a well balanced team.

With a good defensive game, the Blue found it hard to move against the Eagles in the first half. The Gophers struck first in the game with a TD but failed to make the extra point. At the end of the half the Gophers led 6-0.

The second half was altogether a different ball game. The Gophers broke the Eagles' defense and scored twice, but the Blue defense never failed. Great running from backs Horsely, Williams, and Morris accounted for the Gopher victory with Horsley and Morris crossing the goal line. It looked like the '63 Gophers might go all the way!

The vengeful Highlanders were out for blood as they met the Gophers in Highlander Stadium. The Gophers found a well balanced team in the Scotties as the Highlander team ran hard and blocked hard. The Scotties recovered two Gopher fumbles that went on for scores. The Gophers couldn't move in the first half though at half time the score was H.P. 13, G.P. 0.

Coming back the second half the Gophers held the Scotties scoreless and went on the offensive. They went to the air and soon after a TD pass from Gilbreth to Babina made the score 6-13. A lucky last second toss from Gilbreth to Babina was completed for the extra two points. With a few seconds left the Gophers tried for another score but time ran out. The final score, H.P.—13, G.P.—8.

GOPHERS 8

Like lightening the Garland Owls pounded our defense and contained our offense. The Gophers were hit hard as the Owls controlled the first half. The Owls scored all their points in the first half but failed to score in the second.

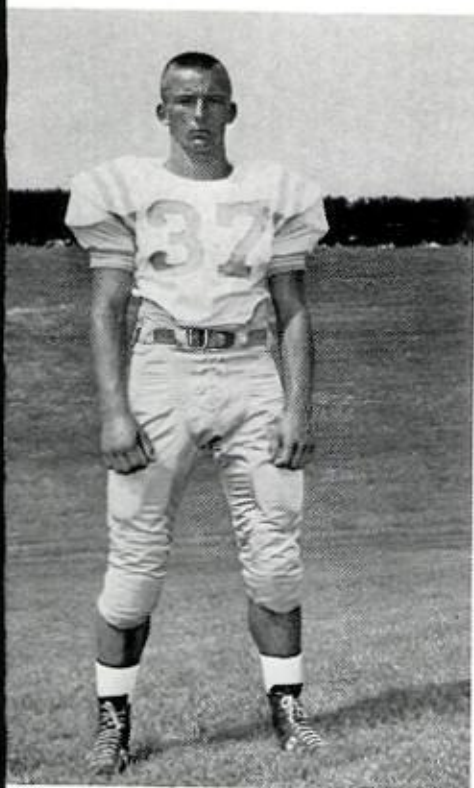

The second half opened with the Gophers looking like a new team. The Blue team started with a great drive that ended with a TD pass from Gilbreth to Horsely for the first Gopher score. The Gophers started with another drive that ended with a nullified TD. The Gophers then cooled off and the game ended with Garland, the eventual state champs, the winner, 23-8.

GOPHERS 26

After a bitter defeat at the hands of Garland, the Grand Prairie Gophers took on the Kimball Knights. Looking for another pre-district win the Gophers handed the Knights a swamping defeat, 26-14.

The Gophers held the Knights scoreless in the first half while racking up 20 points. Horsely took a TD pass from Gilbreth then another pass to Babina for the extra two points. Later, for the second score, Warren took the ball over the goal line. The third score of the game came with a TD pass from Gilbreth to Babina.

The Knights came back the second half to score two touchdowns but with another score by Warren the Blue squad stayed in front. The final score, GP 26, the Knights 14.

GOPHERS 13

The Gophers won their last pre-district game over Richardson with a close score of 13-12.

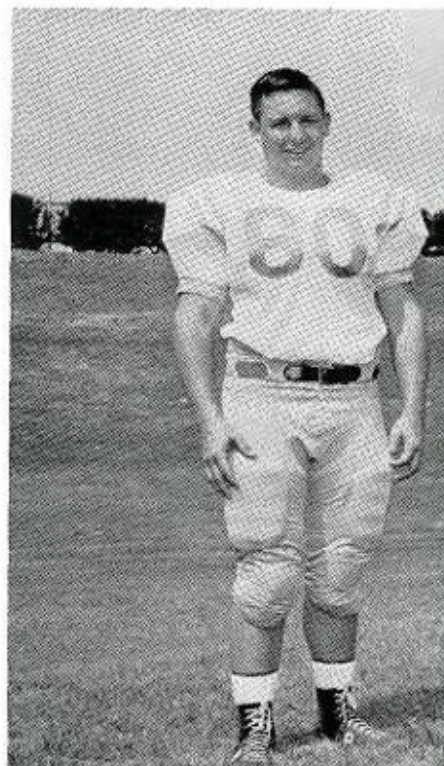

Richardson struck first in the game with a drive from the kick-off that ended with the score. The extra point failed when the kick hit the goal post.

The Gophers lost the ball on their first offensive move but came back the second time to score with Gilbreth going in from a short distance. Morris kicked the extra point and G.P. led 7-6.

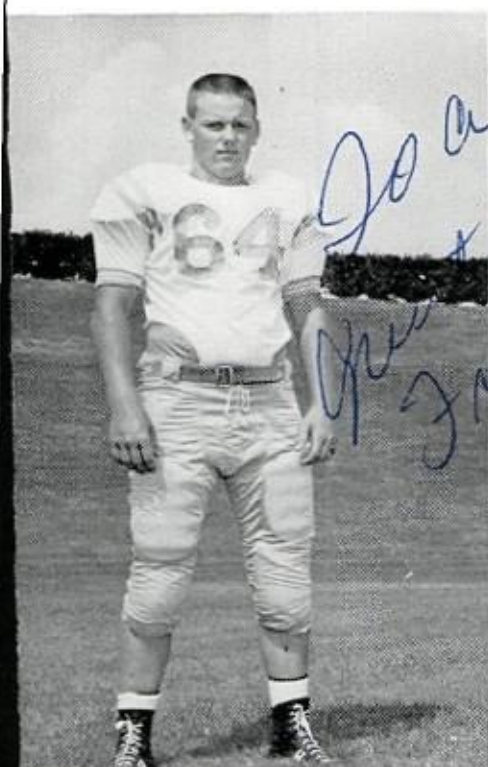

Again Richardson scored and again the extra point was no good. On the Kick-off Horsely ran back to the 50 yd. line. A pass to Williams set up the TD. Then Morris went in. The game then became a stalemate and the Gophers won it 13-12.

Next the Gophers journeyed to Richland for their second district game. It was a tight game as the Gophers just sneaked by.

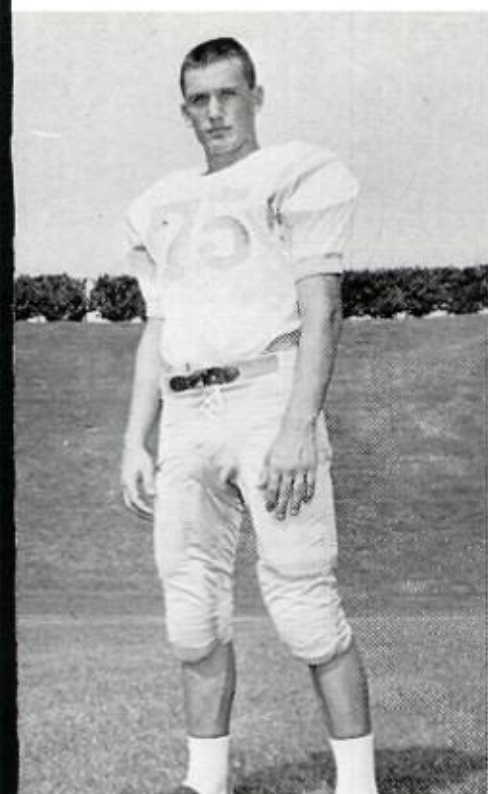

On the second series of offensive plays the Gophers set up a TD with a pass to Smith. Then Morris went in for the score. After Richland scored the Blue squad ushered by Gilbreth went for the second TD with Gilbreth scoring. The Rebels tried hard for another score and when the clock ran out they were on our 3 yard line. The Gophers held and the game ended 14-7.

The scoring for the Gophers was turned in by a pass from Gilbreth to Smith. Then Gilbreth went in from a short distance for the second score. On another big drive Harold Williams took the pigskin over for the third TD. Gilbreth then ran for two extra points. The road to the district crown is not far away.

IRVING 6

The vengeful Gophers traveled to Irving for their next district game. Remembering last year's agonizing defeat, the Blue eleven pounded Irving 28-6. From the first play the story was all Grand Prairie.

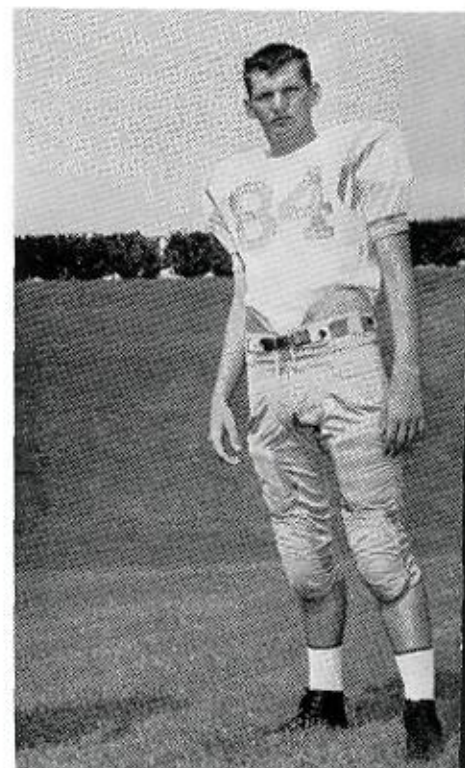

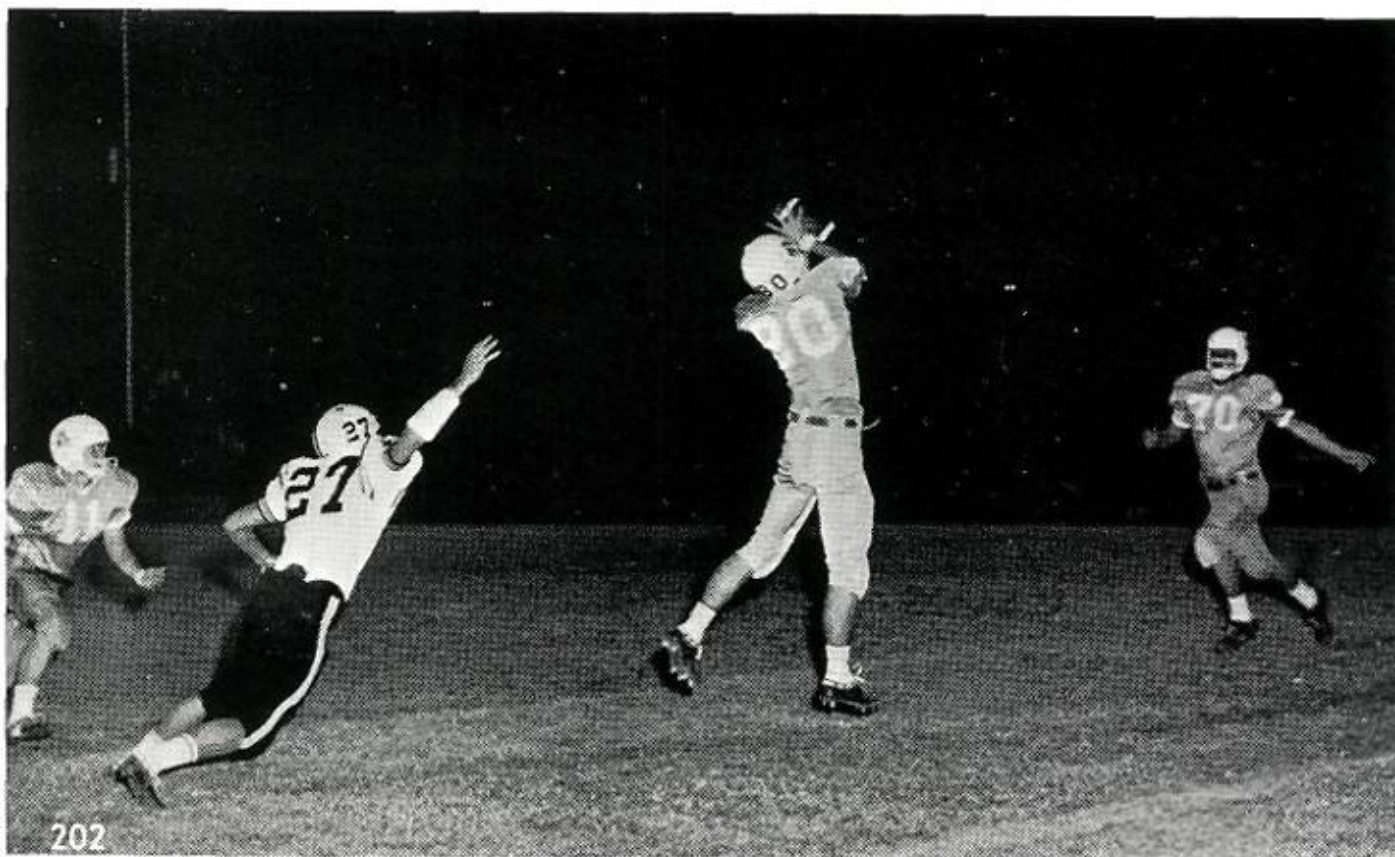

The Gophers snagged four Irving passes and fell on two Irving fumbles. The first score was a pass from Gilbreth to Babina. Then Warren racked up two more quick TD's, the latter being on a splendid 60 yard run. Gilbreth scored the last TD. Galen Morris added all four extra points.

A fine defensive game was turned in by Gilbreth, Morris, Williams, Green, Mathews, Stewart, Rushing, Watson, and Chilton. The Gophers have only to beat Wichita Falls in the bowl for the championship.

WICHITA FALLS 14

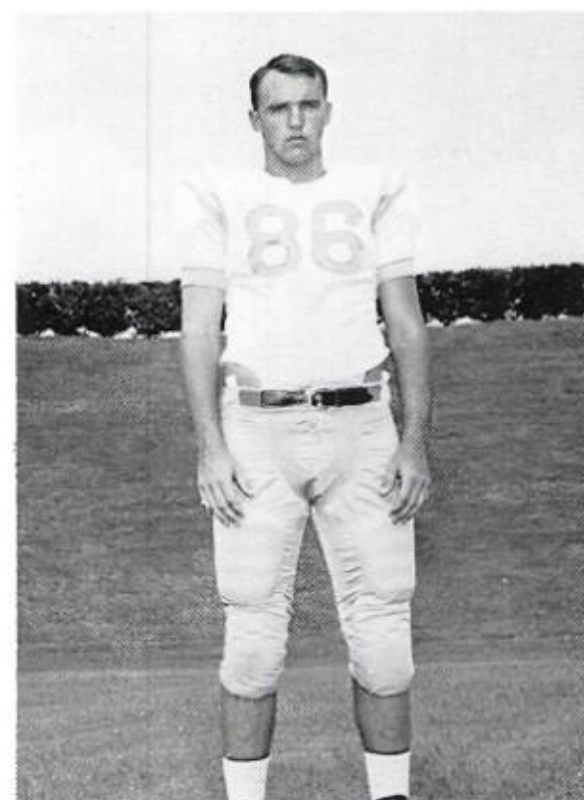

On the day of the President's death, under a mournful sky and viewed by 8500 sad fans, the Gophers took W.F. for the first time since entering the 4 AAAA ranks. The Gophers started the game with a fumble that disheartened the whole stadium. On their own 20 the Blue held the Coyotes through a big defense. Then, ushering a great drive, Gary Gilbreath took the Blue 11 down to the first score of the game with Gilbreath sneaking in for the score. Morris kicked the extra point and the Gophers led 7-0. W.F. soon came back with an eluding run and a 15 yard penalty. From the Blue 7 the Coyotes scored making it 7-7. With the half near the end the Gophers made another sparkling drive that ended with a short pass and run from Gilbreath to Williams for the score. The half-time score was GP 13—WF 7.

The Gophers came back the second half with the same desire to win. The running of Warren, Horsely, Gilbreath, Williams, and Morris put the Blue in another scoring position. They made good use of it with a pass to Babina down to the 1 then Morris bulled his way through for the third score. With the extra point the Gophers led 21-7. The Blue defense then took over and held the Coyotes to one other TD.

Fine defense turned in by Chilton, Matthews, Green, Stewart, Williams, and Gilbreath kept the Coyotes from scoring again.

As the Gophers waited out the last seconds of the game, the W.F. domination finally fell. The Gophers had won their first district championship since entering the 4 AAAA ranks.

It was a fine job turned in by the coaches and especially the team.

AMARILLO 34

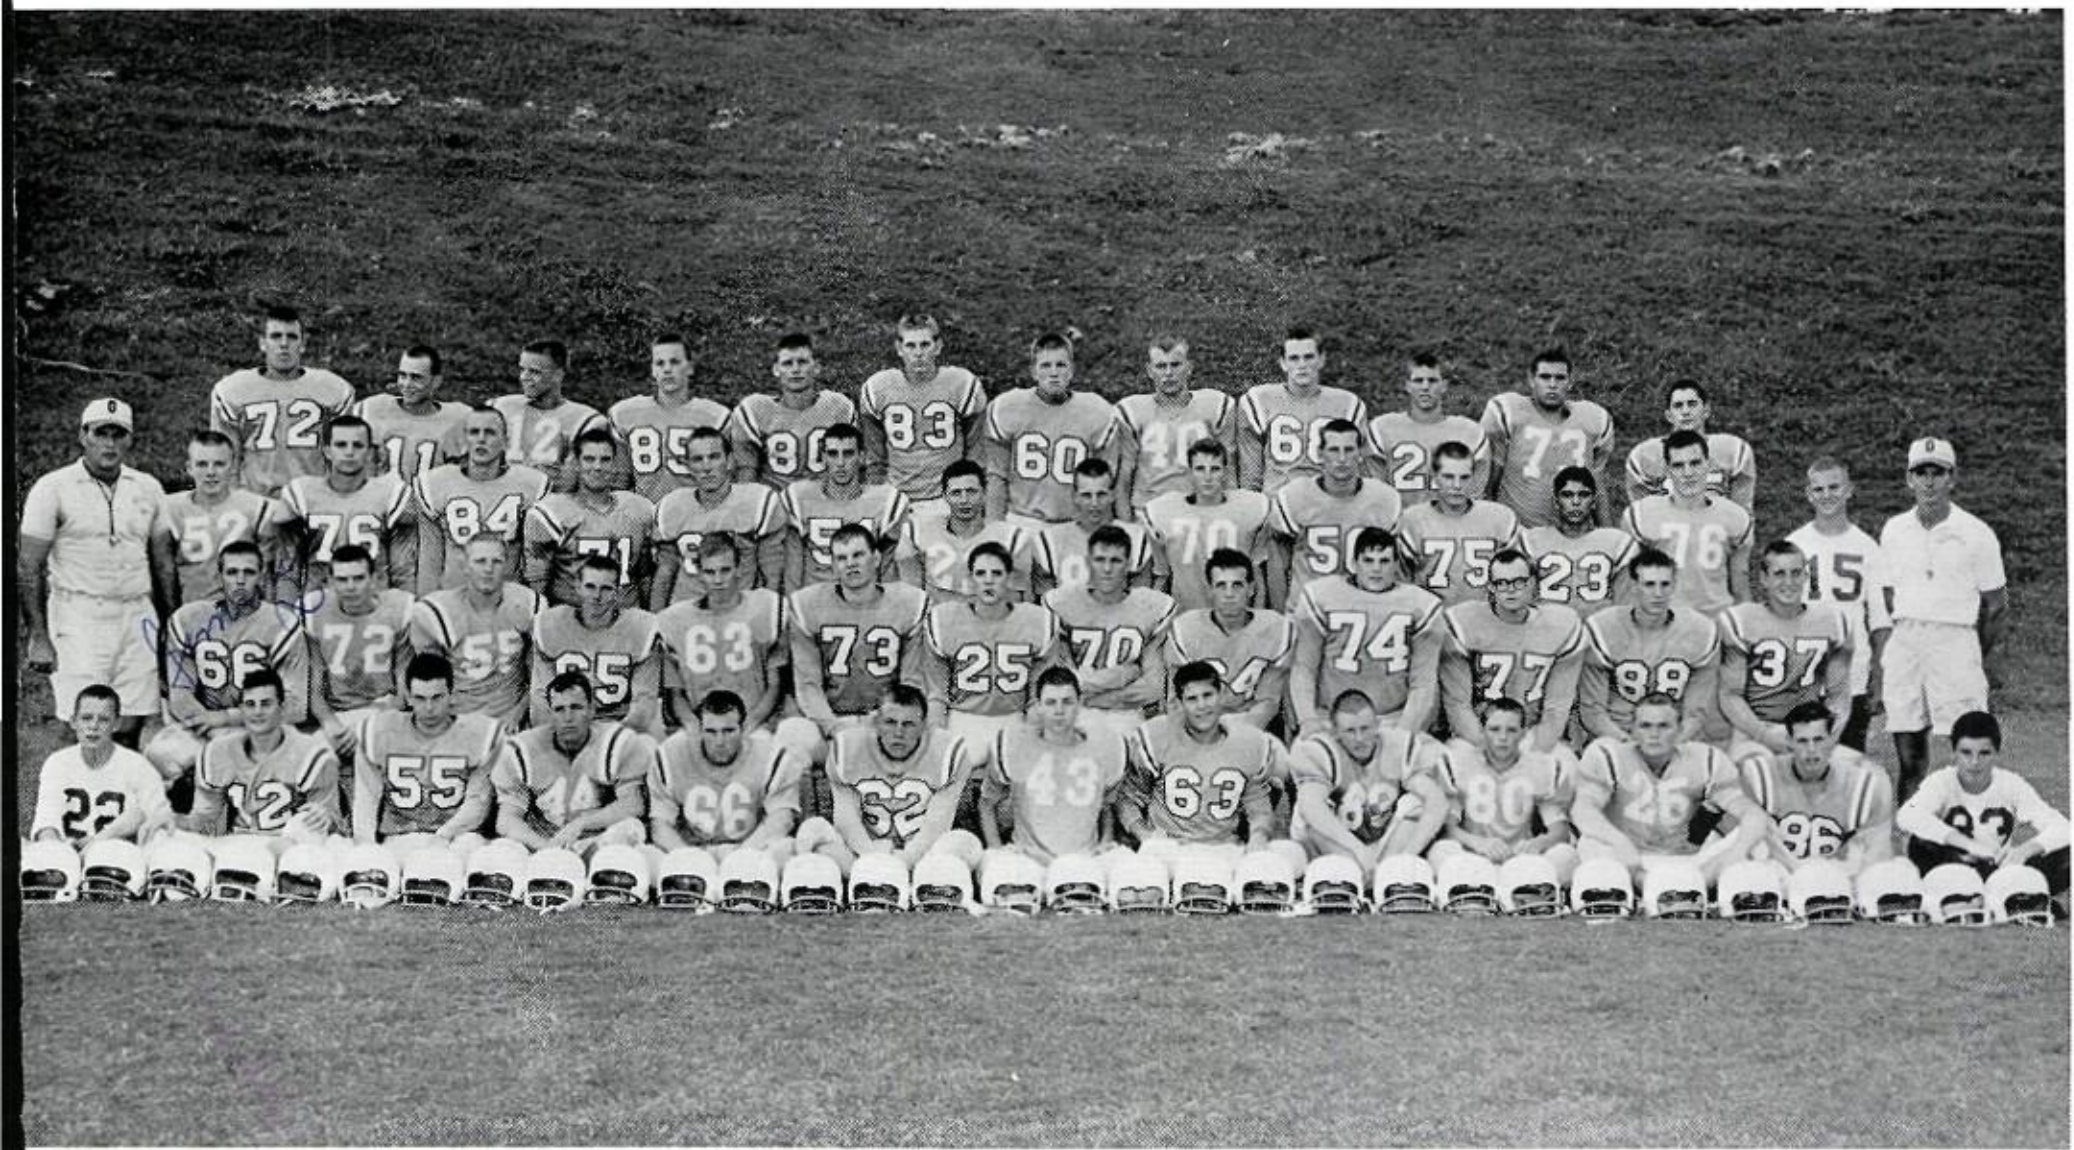

The 4 AAAA district champs took a pounding from Tascosa of Amarillo in the Bi-District play-off 34-0. Lacking support from a late train, the Gophers fell behind three quick TD's. When the train finally arrived the Gophers were behind 20-0. The Rebels came back the second half with the intent to score again. They ripped off 2 more TD's on the Gophers. It was a bad day for the 4 AAAA champs as Gilbreath was hurt in the second half, Horsely was ill and the train was late. They all contributed to the defeat along with a strong Rebel team. We are still proud of our 4AAAA District Champs.

Final Deadline

As the 1963-1964 school year draws to a close, there are many things that each student holds as a dear memory of Grand Prairie High School. Things have not always been as you wanted them to be, but all things have many times worked together for the good.

Now as you go your separate ways, not knowing if happiness or sorrow will cross your path, hold the thoughts of your days spent in Geep High as the happiest of your life. Turn to this rambling structure which houses the best of students and adults and simply say, "Thanks for the memory."
